MISSOURI EMPLOYER PAID MEDICAL ENDORSEMENT

This endorsement applies because Missouri is shown in Item 3.A. of the Information Page.

As a Missouri employer, you have the right, as provided by Section 287.957 of the Revised Statutes of Missouri, to have medical-only claims that do not exceed 20% of the current primary and excess loss split point amount, as shown in the Schedule below, excluded from your experience rating modification calculation. This will only be allowed when you pay all of the employee's medical costs; there is no lost time from the employment, other than the first three days or less of disability; and no claim is filed. The current primary and excess loss split point amount is provided in the rating values of NCCI's ***Experience Rating Plan Manual***. You still must report all injuries, regardless of the dollar amount, to the Division of Workers' Compensation and to us.

However, it should be noted that if, at any time, the medical expenses that are paid out-of-pocket due to a particular injury ever exceed 20% of the current primary and excess loss split point amount and/or the employee misses more than three days from work due to the injury, then this injury must be reported to us as a claim. We will pay the full amount of the claim, which includes any reimbursements due to you for past medical expenses incurred by you for this particular claim. As a result, the total amount of losses incurred by us due to this claim will be included in your experience modification calculation.

MISSOURI PROPERTY AND CASUALTY GUARANTY ASSOCIATION NOTIFICATION ENDORSEMENT

This endorsement applies only to the insurance provided by the policy because Missouri is shown in Item 3.A. of the Information Page.

Missouri Property and Casualty Insurance Guaranty Association Coverage Limits:

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (Association), the Association will pay claims covered under the Act if we become insolvent.
2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitation applies subject to all other provisions of the Act:
 - a. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer if the insured has a net worth of more than \$25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes an insolvent insurer; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

If the insured prepares an annual report to shareholders, or an annual report to management reflecting net worth, then such report for the fiscal year immediately preceding the date of insolvency of the insurer will be used to determine net worth.

However, the association will not:

- (1) Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or
- (2) Return to an insured any unearned premium in excess of \$25,000.

These limitations have no effect on the coverage we will provide under this policy.

Part Five – Premium, Section G. (Audit) of the policy is replaced by the following:

G. Audit

You will let us examine and audit all of your records relating to this policy during regular business hours throughout and after the policy period. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights that we have under this provision.

Audits must be completed and billed, and any premiums will be returned, within 120 days of policy expiration or cancellation unless:

1. Delay is caused by your failure to respond to reasonable audit requests, provided that the requests are timely and adequately documented; or
2. A written agreement between you and us provides a longer time frame.

If you or we have any objection to the results of any audit, you or we may send a written notice demanding a reconsideration of the audit within three years from the date of expiration or cancellation of this policy. The written notice must be based upon sufficiently clear and specific facts as to why the audit should be reconsidered.

If you do not allow us to examine and audit all of your records relating to this policy, and/or do not provide audit information as timely and reasonably requested, we may apply an Audit Noncompliance Charge equal to a maximum of up to two times the estimated annual premium. The method for determining the Audit Noncompliance Charge is shown in the Schedule below.
